- DMV locations, particularly in rural areas, have limited days/hours (plus transportation barriers)
- Legislative changes have restricted voter registration assistance
- Laws and guidance change frequently

Step 1: What you will need
There are two ways to register to vote on this site :
1. Online : To register to vote online, only voters with a valid, unexpired Wisconsin Driver License or Wisconsin State ID Card may use this site to register to vote. You will need your Wisconsin Driver License or Wisconsin State ID Card Number in order to register to vote online. You will also need to match the name, date of birth, and address on file with the Wisconsin DMV in order to register to vote online. If a match cannot be made with the Wisconsin DMV, you will still be able to register to vote by printing, signing and mailing your registration form along with proof of residence to your municipal clerk.
Need to update your address with the Wisconsin DMV? You will need to have a current address on file with the Wisconsin DMV before you can register to vote online. Update your address with the Wisconsin DMV here.
If there is an upcoming local election in your area in less than 20 days, you will not be able to register to vote online. You will still be able to register to vote by printing, signing and delivering your registration form, along with proof of residence, to your municipal clerk or your polling place on Election Day.
2. Mail/Delivery : Eligible Wisconsin voters who do not have a current, valid Wisconsin Driver License or Wisconsin State ID Card may complete the voter registration form and mail or deliver their form to their Municipal clerk along with a proof of residence document.
If there is an upcoming local election in your area in less than 20 days, registration by mail is no longer available. You may deliver your registration form (with proof of residence) to your municipal clerk's office by the Friday before the election, or you may bring it to your polling place on Election Day.
Instructions on how to register using this process and where to mail/deliver your registration form will be provided.
