LGE 2021 Webinars

UW-Madison, Division of Extension's Local Government Education Program provides focus, coordination, and leadership to support local government, and to expand the research and knowledge base for local government education.

Our webinar series includes a range of topics of interest to local government elected officials and staff. Below is the current listing through the rest of 2021. Program may get added throughout the year as hot topics arise. Visit our [website](#) for the most current listing of webinars.
