Title of Program

Navigating the Legal & Financial Framework Under Chapter 43

Description of Program

Hosted by the UW-Madison Division of Extension Local Government Education, this webinar with Local Government Law Educator William Oemichen, JD, will explore the intricate components of Chapter 43 of the Wisconsin Statutes which outlines and powers Wisconsin's public libraries. Whether you are preparing for your next budget cycle or looking to strengthen your advocacy skills, this session will equip you with the foundational legal and financial knowledge to confidently manage and champion your library's vital resources.
